We are happy to paint your Caterham® in any major motor manufacturers colour so long as you are able to provide a paint code to ensure we get the correct colour. Please be aware that certain colours require specific materials and processes to produce which may increase the build time and cost of this option. Some colours can be difficult to repair so may not be recommended. Please be aware that due to the nature of the bare aluminium it will attract marks very easily which cannot be repaired, these may be present at point of delivery due to the build process which is unfortunately unavoidable. Please speak to a member of our sales team should you require more information.

TERMS AND CONDITIONS

('Seven' and 'Super Seven' and 'Caterham' are registered trademarks of Caterham Cars Limited.)

1. In these Terms: a) 'Purchaser' means the person named on the Order Form for whom the Seller has agreed to provide Goods in accordance with these Terms; b) 'Terms' mean the standard terms and conditions set out in this order and (unless the context otherwise requires) including any additional special terms and conditions agreed in writing elsewhere between the Purchaser and the Seller; c) 'Goods' means the motor vehicles or parts of motor vehicle ordered by the Purchaser; d) 'Seller' means Caterham Cars Limited or its duly appointed agent; e) 'Deposit' means the deposit payable by the Purchaser set out in the Order Form (consisting of the "First Deposit" and the "Second Deposit" as referred to in Clause 4).

2. These Terms, and any allowance in respect of used Goods offered by the Purchaser, is subject to acceptance and confirmation in writing by the Seller.

3. The Seller will endeavour to secure delivery of the Goods by the estimated delivery date (if any), but does not guarantee the time of delivery and shall not be liable for any damages or claims of any kind in respect of delay in delivery, even if the Purchaser informs the Seller of a requirement to deliver by a certain date. The Seller shall not be obliged to fulfil any orders in the sequence in which they are placed.

4. The description and price of the Goods ordered will be as set out in the price list at the time of delivery. The Purchaser shall be required to pay a First Deposit on placement of the order for the goods of £3,000. Additional monetary deposits may be required for special order items (including items detailed within the Caterham "Signature" range of options), and shall be in addition to the deposits detailed above.

5. If the Goods to be supplied by the Seller are new, the following provisions shall have effect: a) If after the date of this order and before delivery of the Goods to the Purchaser the Seller's recommended price for any of the Goods is altered, the Seller shall give notice of any such alteration to the Purchaser, and in the event of the recommended price being increased, the amount of such increase shall be payable by the Purchaser unless within 7 days after receipt of such notice he gives notice to the Seller that he declines to pay such amount, in which case the Seller shall have the option, by notice in writing to the Purchaser, to cancel these Terms. b) The Seller reserves the right to cancel these Terms if it at any point ceases to manufacture the Goods ordered by the Purchaser. If the Seller cancels these Terms under either of the foregoing provisions, the Deposit shall be returned to the Purchaser and the Seller shall be under no further liability.

6. If the Purchaser fails to collect or take delivery of and pay for the Goods within 7 days of notification that the Goods have been completed for delivery, the Seller shall be at liberty to treat these Terms as repudiated by the Purchaser and thereupon the Deposit shall be forfeited without prejudice to the Seller's right to recover from the Purchaser by way of damages any loss or expense which the Seller may suffer by reason of the Purchaser's default. Even if the Seller manages to sell the Goods to a third party the Purchaser shall not be entitled to a refund of the Deposit if the Purchaser has defaulted under this clause 6.

7. The Goods shall remain the property of the Seller until the price has been discharged in full. A cheque or electronic payment made by the Purchaser in payment shall not be treated as a discharge until the monies have been received by the Seller in full. The Seller reserves the right to recharge to the Purchaser and request additional payment of any credit card or bank transactions costs incurred as a result of the payment method used by the Purchaser for the Goods.

8. Where the Seller agrees to allow part of the price of the Goods to be discharged by the Purchaser delivering a used motor vehicle to the Seller, such allowance is hereby agreed to be given and received, and such used vehicle is hereby agreed to be delivered and accepted as part of the sale and purchase of the Goods and upon the following further conditions: a) (i) That such used vehicle is the absolute property of the Purchaser and is free from all encumbrances, or (ii) That if such used vehicle is the subject of a hire purchase agreement or other encumbrance capable of cash settlement by the Seller, the allowance shall be reduced by the amount required to be paid by the Seller in settlement thereof; b) That if the Seller has examined the said used vehicle prior to its confirmation and acceptance of the order, the said used vehicle be delivered to it in the same condition as at the date of such examination (fair wear and tear excepted); c) That such used vehicle shall be delivered to the Seller on or before delivery of the Goods to be supplied by him hereunder, and the property in the said used vehicle shall thereupon pass to the Seller absolutely; d) That without prejudice to (c) above, such used vehicle shall be delivered to the Seller within 7 days of notification to the Purchaser that the Goods to be supplied by the Supplier have been completed for delivery; e) That if the Goods to be delivered by the Seller through no fault on the part of Seller shall not be delivered to the Purchaser within 60 days after the date of this order or the estimated delivery date, where that is later, the allowance on the said used vehicle shall be subject to reduction by an amount not exceeding 2.5% for each completed period of 30 days from the date of order or estimated delivery date, as the case may be, to the date of delivery to the Purchaser of the Goods. In the event of the non-fulfilment of any of the foregoing terms in this clause 9 other than (e) the Seller shall be discharged from any obligation to accept the said used vehicle or to make any allowance in respect thereof and the Purchaser shall discharge in cash the full price of the Goods to be supplied by the Seller.

9. Any notice given hereunder must be in writing and may sent by post to the residence or place of business of the person to whom it is addressed and shall be deemed to have been received two working days after the date of posting. Notice may also be sent by email to the Purchaser where the Purchaser has provided an email address to the Seller.

10. Notwithstanding the provisions of these Terms, the Purchaser shall be at liberty before the expiry of 7 days after notification to him that the Goods have been completed for delivery to arrange for a finance company to purchase the Goods from the Seller at the price payable hereunder. Upon the purchase of the Goods by such finance company, the preceding Clauses (other than Clause 5(b) of this agreement) shall cease to have effect, but any used vehicle for which allowance was hereunder agreed to be made to the Purchaser shall be bought by the Seller at a price equal to such allowance, upon the conditions set forth in Clause 9 above (save that in (c), (d) and (e) thereof all references to 'delivery' or 'delivered' in relation to 'the Goods' shall be construed as meaning delivery or delivered by the Seller to or to the order of the finance company) and the Seller shall be accountable to the finance company on behalf of the Purchaser for the said price and any deposit paid by him under that agreement.

11. The Seller will take all reasonable precautions to keep the details of the Purchaser's order and payment secure, but unless the Seller is negligent, the Seller will not be liable for unauthorized access to information supplied by the Purchaser. The Seller will only use the personal information provided for the purpose of fulfilling the order unless the Purchaser agrees otherwise. The Purchaser can correct any personal information about himself or herself, or ask for that information to be deleted by giving notice to the Seller.

12. The Caterham 'Seven' in component form is sold for amateur construction. The Purchaser is responsible for its assembly and road-worthiness and good engineering standards should always be employed. Contact the Seller (UK) or importer (overseas) or the local Caterham agent for any advice. The Seller or importer or agents for the Seller are not liable for any fault due to faulty assembly.

13. If this agreement has been concluded without any face to face contact between the Seller and the Purchaser, or anyone acting on behalf thereof, the Purchaser may give notice cancelling this agreement within 7 days of taking delivery of the Goods, whereupon the Purchaser must either return them to the Seller or make them available for collection at the Purchaser's expense. The Purchaser must take reasonable care of the goods and will be responsible for any loss or damage from when the Goods were delivered to the Purchaser until they are returned to the Seller. If the Seller has agreed to accept a part exchange used vehicle at an agreed price, pursuant to clause 9 of this agreement, in part payment of the Purchase Price of the Goods, the Seller shall have the option of either returning the part exchange used vehicle or refunding the allowance agreed in respect of the part exchange vehicle.

14. SELLER'S WARRANTY FOR NEW CARS - Please refer to the Car Handbook which is supplied with the Goods on delivery and is available for inspection on purchase of the Goods. The Warranty terms in the Car Handbook form part of these Terms.

15. If the Goods develop a defect while under warranty or the Purchaser has another complaint, the Purchaser should follow the procedure set out in the Car Handbook.

16. All shortages must be notified within 30 days of the Purchaser's receipt of Goods, failing which the Seller shall be under no obligation to provide replacement parts.

17. a) These Terms constitute the entire agreement between the parties relating to the subject matter of the agreement. These Terms supersede all previous agreements whether oral or in writing between the parties on the subject matter of this agreement. Each of the parties agree that it did not rely on, and shall have no remedy in respect of, any statement misrepresentation or warranty whether oral or in writing of any person (whether or not a party to this agreement), and whether such misrepresentation is innocently or negligently made other than those expressly set out in these Terms. Nothing in these Terms shall limit or exclude any liability of any party for fraud; b) These Terms shall be governed by and construed in accordance with the laws of England and the parties agree to submit to the exclusive jurisdictions of the English courts; c) A person who is not a party to these Terms has no right under the Contract (Rights of Third Parties) Act 1999 to enforce these Terms; d) Where the Purchaser is dealing as a consumer, nothing in these Terms shall purport to limit or exclude its statutory rights; e) nothing in these Terms shall purport to limit or exclude the Purchaser's liability for personal injury or death caused by the negligence of the Seller, its employees or agents.
